NOTE FOR: General Counsel
Director of External Affairs

FROM : EA/DDCI

Please note section on FOIA in the attached excerpt from the minutes of the 10 September meeting of the Interagency Group on Countermeasures. The DDCI wants to make sure that Justice is not inadvertently damaging our efforts to gain FOIA relief. Do either of you know anything about this?

MEMORANDUM FOR: Members and Invitees
Interagency Group/Countermeasures

FROM:

[redacted]
Executive Secretary, IG/CM

25X1

SUBJECT: Minutes of First IG/CM Meeting, 10 September 1982

1. Attached are the approved minutes of the 10 September 1982 meeting of the IG/CM. They reflect the minor changes requested by members. [redacted]

25X1

2. It is the Chairman's intention that affected lead agencies will proceed forthwith in the implementation of the various actions specified herein, working with other agencies or departments as deemed appropriate. The Secretariat should be kept apprised of progress and problems and is available to assist as desired. When actions are ripe for or otherwise require IG/CM consideration, the Secretariat will arrange such in accordance with the Chairman's guidance. [redacted]

a. Legislative S1730

(1) Amend FOIA: Mary Lawton, DoJ, stated she did not believe the House and Senate would act on the recommended amendment to FOIA. [] NSA, expressed concern about the limited time for an agency to respond to an FOIA request, but Ms. Lawton stated that this could be changed only by amending the main Act. A general discussion by Mr. Snider, Mr. Kelly (Army), and Mr. Bolten (Treasury) ensued, with particular reference to whether or not some presently unclassified but sensitive information should be classified so that it could be protected from FOIA disclosure. The reluctance of DoD RD&E to do this was noted, however.

25X1

Action: The conclusion was the acceptance of Ms. Lawton's recommendation that both alternatives be pursued; DoJ will report on Alternative 1 in two or three months, and DoD will pursue Alternative 2 and report in the same time frame. []
